THE COMPANY

RPNP has been a premier provider of printing solutions in INDIA and ABROAD for over 15 years. Our clients are a veritable mix of internationally recognized brands and home-bred local businesses, spanning across different industries including electronics, pharmaceuticals, petroleum,

kid's apparel, confectionery, hospitality and more. Over the years we have introduced innovative state of the art products to meet the versatile demands of our varied clients and help them offer better services to their customers.

Assured **PRE-PRESS** Process

ONE STOP SOLUTION FOR ALL YOUR CORPORATE NEEDS.

Expert Print Design by our creative team delivers friendly advice, support and world class print design.

Whether you need a new concept or to simply modify existing designs; we offer a full service solution for your projects.

We work with you closely and design exactly what you need. And deliver the print needs at its best

The Pre-Press Process includes many necessary steps before a job is printed. The job is been examined by our professionals at various stages which are:

PROOF READING : Spelling & Typing Errors.

SCREENING : All graphics and pictures are in appropriate format.

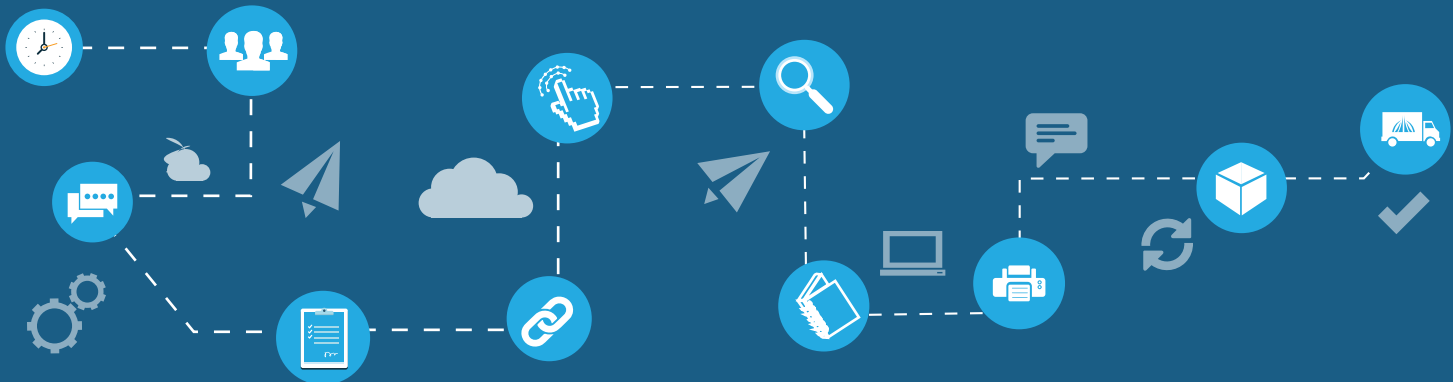

CHECKING : All fonts are perfect and paper margins are according to its size.

SEPARATION : Of texts and pictures for various job requirements like UV varnish, spot varnish etc.

COLOR : Of the logo and art work are kept in the right format (CMYK/RGB) and in accordance of media used like Art Paper, Art Card, Glossy or Matt Finish.

APPROVAL : Of the final art work is done.

MANUFACTURING : Of plates, positives, masters for offset, screen or digital printing.
